BROKER'S COMMENTS

The Levi Corsair is a classic express cruiser designed by Renato 'Sonny' Levi, featuring his famous race-bred deep V-hull. This boat, as tested by Motorboat and Yachting, in their October 1999 issue; where her ride was described as "...indecently smooth." LULOU has been much loved and constantly updated, and coupled with breathtaking handling, a soft ride, she is fitted with two Volvo KAD 42 diesels, giving a top speed of 40+ knots. Below decks she is understated, but elegant!
